

United Way Tools for School

HELP LOCAL CHILDREN GET READY FOR SCHOOL

Children need a fresh start each school year. For low-income and **ALICE™** (Asset Limited, Income Constrained, Employed) families in our northern New Jersey region, providing the necessary school supplies can be a financial hardship. That's where United Way comes in!

United Way *Tools for School* (formerly United Way *Stuff the Bus*) is an annual school supply drive that helps ensure these kids receive the tools needed for academic success. YOU can help thousands of preschool and elementary and middle school students begin the school year prepared!

NEW SCHOOL SUPPLIES OUR KIDS NEED

In addition to the supplies below, we also welcome donations of gift cards to local stores for children's clothing and shoes. **All supplies will be collected August 10, 2015.**

VOLUNTEER OPPORTUNITIES

We also need volunteers to help sort, count, organize, and pack school supplies for distribution to local schools and nonprofit agencies. This is a great summer service project for youth!
