Capital Budget and Capital Improvement Program

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET

- A plan for all capital expenditures for the current fiscal year.
If no Capital Budget is Included, check the reason why:

Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund
Capital Line Items and Down Payments on Improvements

No bond ordinances are planned this year.

CAPITAL IMPROVEMENT PROGRAM

- A multi - year list of planned capital projects, including the current year.
Check appropriate box for number of years covered, including current year:

3 years. (Population under 10,000)

6 years. (Over 10,000 and all county governments)

_____ years. (Exceeding minimum time period)

- Check if municipality is under 10,000 has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

Narrative for Capital Improvement Program

The attached Capital Improvement Program is designed to meet the requirements of law and, therefore, is narrow in scope and limited by the use of standardized forms and summary sheets. In reality, the ongoing planning process is dynamic and continually changing. The primary purpose of this plan, however, is to serve as a guide for continuous planning and budgeting. The Capital planning process includes input from the various boards, individuals and departments of the Township.

The Mayor and Committee are continuously planning within the Township by preparing the Capital Budget. This Budget is not a spending Budget, but a plan for future budgeting.
