Re: Mandatory Random Drug Testing

Sir,

In accordance with Attorney General Directive No. 2018-2 entitled "Statewide Mandatory Random Drug Testing", the Mansfield Township Police Department submitted urine samples of sworn officers on October 24, 2018 to the New Jersey State Toxicology Laboratory. The Mansfield Township Police Department employs fifteen (15) sworn officers, samples of two (2) officers were submitted, and zero (0) tested positive for illegal drugs. Results of the tests will be kept on file at the Mansfield Township Police Headquarters and available for your review upon request.

Respectfully,

A handwritten signature in black ink, appearing to read "J. Michael MacDonough".

DSgt. J. Michael MacDonough
