Re: Stormwater Discharge GPA Modification
Category: R9 -MS4 - Tier A Municipal Stormwater (GP)
NJPDES: NJG0152633 / PI ID #: 203288
MANSFIELD TWP
Mansfield Twp, Warren County

Dear Interested Party,

Enclosed is a **final** New Jersey Pollutant Discharge Elimination System (NJPDES) permit Minor Modification which has been issued in accordance with N.J.A.C. 7:14A. The Tier A Municipal Stormwater General Permit authorizes the discharge of stormwater from small municipal separate storm sewer systems (MS4). The Tier A permit addresses stormwater quality issues related to both new and existing development. The permit modification changes the interim compliance due dates for the adoption and posting of certain community wide ordinances found within the permit at Part IV.B.2.a.xi and xii and Part IV.F.1.a. and b. The modification also addresses updates to referenced web addresses and minor typographical errors.

The updated final Tier A MS4 NJPDES permit and supporting documents are also posted at https://www.nj.gov/dep/dwq/tier_a.htm. Questions or comments regarding the final action should be addressed to Dan Kuti at Daniel.Kuti@dep.nj.gov.

Sincerely,

Gabriel Mahon, Bureau Chief
Bureau of NJPDES Stormwater Permitting and Water Quality Management
